Set in the heart of a beautiful forest in the Ardennes, this delightful animal park is home to a myriad of animals from our region and the world over! The animals – except for a few dangerous carnivores - roam in semi-liberty.

You will love discovering 100 different species, including lynxes, wolves, takins, zebras, birds of prey, bison, bears, tigers, baboons, marmosets and antelopes, together with white lions, a puma and jaguar...

The 2 km walking itinerary offers a truly unforgettable moment right out in the countryside.
The information panels along the way help you get to know some of the less-familiar species.

On your way out you can treat your kids to some more fun at the playground and enjoy – depending on whether you fancy a snack or a could eat a horse - a great meal at the brasserie or restaurant.
You can also sample some delicious local game during the hunting season
The Animal Park hosts weddings, communions and birthday parties, and organizes excursion meals for seniors and schoolchildren.

The shop is a delight for all ages and the perfect place for picking up a souvenir of your day out!
