The Megaliths Museum welcomes visitors who want to find out about these ancient stones before exploring the Wéris region's dolmens and megaliths, unique in Belgium.

The museum is dedicated to Megalithism and the daily life of the Neolithic farmers and breeders who erected these strange monuments dating back 5,000 years.

You can purchase a range of books, brochures, walking maps, postcards and souvenirs at the shop.

The cafeteria, offering a terrace and snacks, is the perfect place to sample a glass of Dolmenius - an amber beer you won't find elsewhere.
