This ancient monastery has now become Malmedy's touristic and cultural hub. Not to be missed!

The impressive building next to the cathedral has been extensively restored, renovated and redesigned, with the aid of the Wallonia Regional Council, French Community and Malmedy Town Council.

The cloister and inner courtyard are now genuine little jewels and the attic, still sporting its original, 18th century beams, is simply enchanting. A park will shortly be developed around the site.

With an area of 3,000 square metres from the ground floor to the attic, visitors are spoilt for choice when it comes to learning about the past and present of Malmedy and its region. This exciting and innovative multi-purpose project is committed to offering a fun and interactive experience for families, seniors and schoolchildren alike.
