Whether you are just passing through or have lived in Brussels your whole life, this exhibition will teach you everything you need to know about this amazing and vibrant city!

Here, everything has been done to help you uncover the information in a surprising, amusing and captivating way. There's a giant model which gives you a fascinating insight into the region, residents tell you all about their Brussels and you can take part in an interactive quiz!

The experience.brussels exhibition may be overflowing with information, but it's anything but boring or pretentious. Which neighbourhood is this place in? What are the city's must-try specialties? How does it feel to live and work in Brussels?

You'll leave experience.brussels with not only the answers to your questions, but also new ideas, a few words in Brussels dialect and, icing on the cake: a personalised postcard.
