Set inside the ancient Dethier-Bettonville factory, this delightful wool and fashion "show tour" reveals how raw wool is turned into finished products (blankets, sweaters, fabrics, etc.).

Your individual audio guide unveils the heyday of Vervier's wool industry, intrinsically tied to the river Vesdre, through a captivating exhibition of textile machines, worker testimonials and period dresses.

Don't miss the temporary exhibitions:

"Nous, Belges" 6/10/23 - 30/11/24 || "Etoffes" 28/10/23 - 21/04/24
