Ath, city of the giants.

After 20 years of loyal service, the House of Giants is getting a makeover. The museum is currently undergoing a major renovation campaign. In the end, the 7 Athois giants will constitute 7 milestones to discover all their secrets but also the treasures of Ath's heritage.

From Autumn 2023, come and discover this brand new museography and at the same time the beautiful 18th century mansion which serves as its setting.
