Maestro

The great masters of the ArtHouse Museum move back to Chaudfontaine!

Before the permanent exhibition is reinstated, the greatest painters and sculptors will be taking over ArtHouse for temporary exhibitions.

The Micro-Folie, Chaudfontaine's digital museum, will also complete the cultural offering, giving everyone free access to the world's greatest museums.

A space where families can discover thousands of works of art in a fun and educational way.

Crazy golf 36.6 also offers an 18-hole course on the theme of water. A moment of relaxation for young and old and may the best win.
